## From the Commander

Good Day Comrades, Hope this finds all our buddies feeling better, if not, please let us know so we can help you out. I know March has not been a good month for us unfortunately. We lost 4 of our comrades who have gone to the post everlasting.

It is very important that all members try and attend our April meeting, as we will be having our second round of electing our Officers for next year plus voting on some changes to our Constitution and bylaws. Both of these will require a forum. Also to get the dates of upcoming events.

And most of all to just see you and talk with you.

God Bless our Country,

RUFF PENNINGTON

## From the 1st Vice Commander

Well we made our 100% membership goal and more. Big thank you to our 4th District 1st Vice Commander and future District Commander Darcy Bockman-Wright for her never ending support.

As far as Bingo, we haven't seen as big a turnout as we were hoping nor did we have any more support to hold a second bingo day. We will continue on with what we have to work with.

We will continue with our nominations and we will also go over the current Constitution with the changes that are brought up and vote on those. We can then submit them to Department for their approval.

Any questions for the newsletter, please address them to [Floridapost58@gmail.com](mailto:Floridapost58@gmail.com)

## From the Chaplain

As we approach spring remember this. God created the seasons on earth to match the seasons of our lifetimes. He created spring as a time of renewing, replanting, reconnecting after a cold spell. Grab this time in your life to renew old friendships, plant new relationships, and above all, Get a fresh start with God. Feel free to contact me if you don't know how to get a fresh spring time season to start over again with your creator.
