 AMERICAN
LEGION

As we gear up for a busy summer, I want to remind each and every one of you of something important. You cannot provide care, love, and support if you don't take care of the caregiver first. Take personal time to recharge and refresh yourself. Personal self care makes you better able and ready to care for someone else.

Big shout out to Vice Walt Chessa and his lovely bride Karen for repainting the front wall of our post. Thanks Walt and Karen. Strong work. One for all and all for one.

I am available anytime at the church phone of 352-445-4484.

Peace in Christ;

Pastor Tim

Effective **July 1st**, Wednesday, our Executive Board will meet at 6pm and our General Membership will start at 7pm.

We are hoping with the new times that we will attract more members that may be working til 5. We usually have available Hotdogs and drink for our meetings.

We have a lot going on this month and for the next several months and we would love for you to come by and maybe participate. The Commander has stated that we will start up dart night, poker games, and Dinner and a dance nights.

We are looking for some bingo volunteers. You can help 4pm-6pm selling bingo sheets or 6pm-9pm helping call back numbers. Maybe come in around 8:30-9:30pm and help clean up. Any help is appreciated.

Memorial Day celebration flyer will come out separately via email by the end of next week. This year will only be the Memorial Day and not in combination with the 4 Chaplains ceremony which is observed in February. AS always we will place flags on the Veteran graves at the two cemeteries here in Dunnellon. We will meet at the post on Saturday the 23rd at 9am and have two groups distribute flags. If one group finishes sooner they will assist the other group. We will pick up the flags on Tuesday the 26th, same time 9am at the post.
